NOTES TO THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The interim consolidated financial report was approved by the Board of Directors on 21 February 2017.

This interim consolidated financial report has been prepared in accordance with Accounting Standard AASB 134 and is to be read in conjunction with the annual financial report for the financial year ended 30 June 2016 ("**2016 Annual Report**"). The 2016 Annual Report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards, including Australian Accounting Interpretations and the Corporations Act 2001, as appropriate for for-profit oriented entities.

The half yearly report does not include full disclosures of the type normally included in an annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the economic entity as the full financial report. Accordingly, it is recommended that this financial report be read in conjunction with the 2016 Annual Report and any public announcements made by East 72 Holdings Limited ("**E72**") during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001.

The same accounting policies have been followed as those applied and discussed in the 2016 Annual Report.

NOTE 15. FAIR VALUE MEASUREMENT

Fair value hierarchy

The following tables detail the consolidated entity's assets and liabilities measured or disclosed at fair value, using a three-level hierarchy, based on the lowest level of input that is significant to the fair value measurement being:

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

We have reviewed the accompanying interim financial report of East 72 Holdings Limited and controlled entities (the 'Company') which comprises the statement of financial position as at 31 December 2016, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory notes and the Directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of East 72 Holdings Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
